Installation and set-up of Zebra Scanner.

How to install and set up your Zebra Scanner.

Before pairing barcodes to your products, you will need to have already uploaded your products to the system.

Step 1:

Connect the scanner to the back of the **tPOS** device.

Step 2:

Ensure you have configured the Zebra Scanner in the portal. You can do this by selecting: 'Config' – 'Profiles' – 'Edit' the device you wish to link the scanner to and drop down the Hardware tab. Select 'Zebra USB Scanners' from the Barcode Scanner options.
